

Salpa Laver23 XL

£99,950

Hailing from Italy The Salpa 23 XL is a spacious, capable and impressively fitted out sports cruiser from Salpa Nautica. Although it's called the 23xl its actually 25ft in length which may account for its class leading accommodation and performance. This Sporty Cruiser has all the ingredients to have a great time on the water with Fridge, Gas hob and an enclosed heads compartment featuring a Sea Toilet & Shower. The well appointed practical layout has sleeping accommodation for four in a 2+2 formation with a forward convertible V-berth & aft double cabin. The boat exhibits many impressive features and design ideas which are typically found on much larger boats. A deep-vee hull and new generation of Mercruiser V6 inboard engine provides the Salpa 23 XL with a great combination of economy and performance. *Displayed are library Pictures -Vessel IN STOCK*
